CHIANTI D.O.C.G.

A REAL CHIANTI!

Sangiovese is the real soul of this wine. The climate and the soil of Certosa di Belriguardo give this wine a strong personality. Intense and fragrant, with notes of violet, red fruits, plum and sour black cherry that enhance the complexity and the great particularity of our product. Thanks to his marked acidity, this wine is suitable for food rich in flavors. It has a strong aging potential.
